

Mr. Pritchard

Sir

I beg to inform you that I made
my mind up not to have any
more Extras at Jeffrey House,
and you shall finish your Con-
tract according to plans and
Specifications, without any more
Alterations or additions, ^{by any person} and
concerning the Celler. I shall
pay for according to measure
and I shall finish what is
left undone myself. I can say
I am sorry that I mention
a word to differ from the
plans & Co. This is a final
Settling concerning the House
Your Truly W. Jones
