Feb 7/67 -

Dear Aunt.

We have just had a  
very sorrowful letter  
from James in which  
he says Poor Tom is  
no more. He died about  
Christmas. We have  
not had the first letter  
James wrote as he mentions  
in this as if had written  
before. We expect to get  
that letter by the next  
mail as this letter  
has only been a

a month or coming  
we will write to you  
again - we are all  
very much grieved and  
very low - it has come  
so sudden - Poor Tom  
- with our kind love

Your affectionate  
Niece

Ellen M. Humphrey
